Ka Leilehua

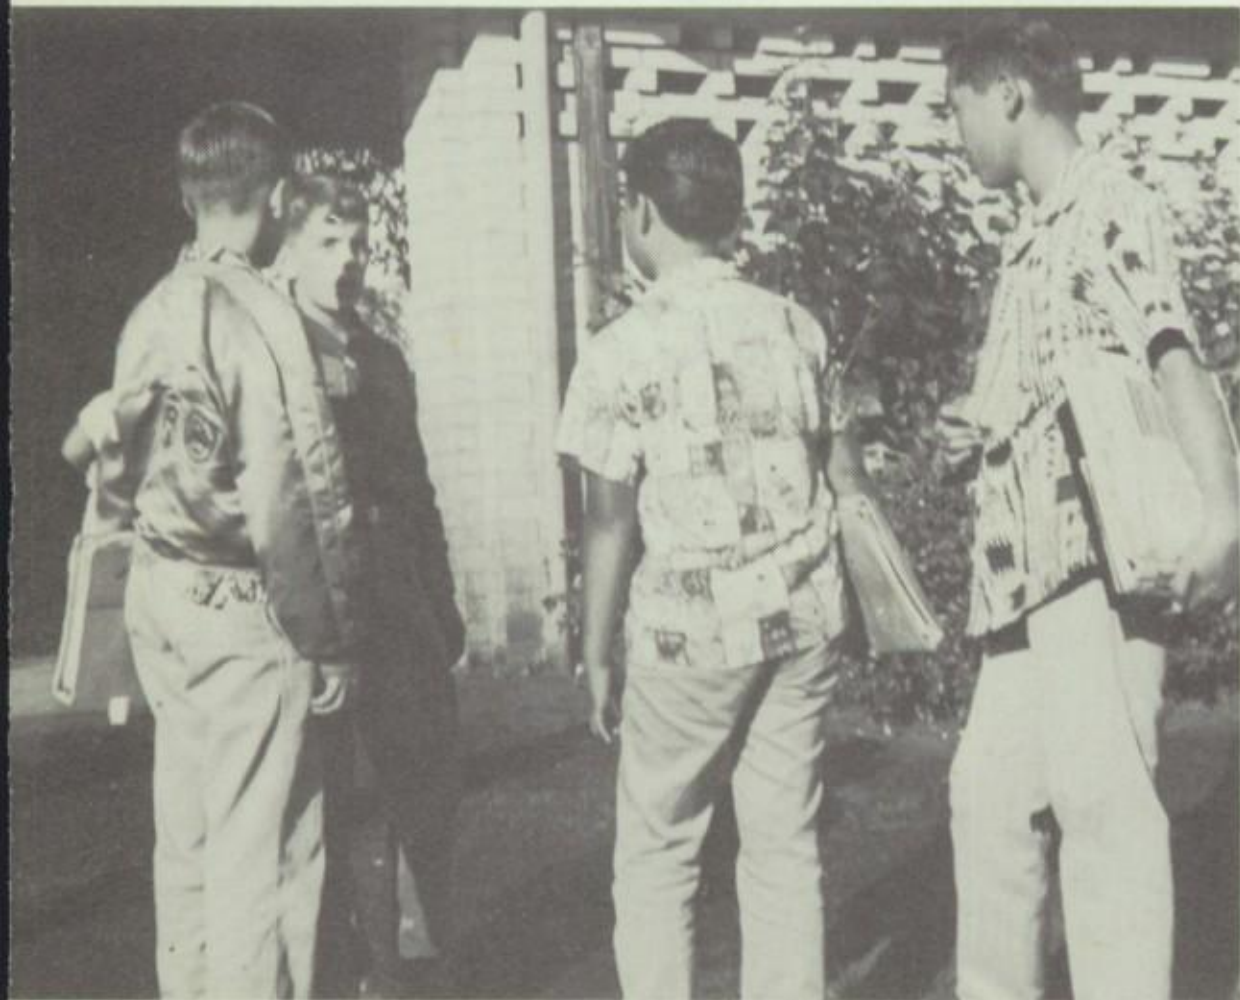

Forward

This year Ka Leilehua tries to tell a story of the students' life. It would be impossible to mention and to show all the participants in the athletic events—the students who spend their time serving the school—the students who enjoyed the dances, picnics, and assemblies—and last those who sacrifice other things to pursue academic achievements. To you the students of Leilehua High School we have developed our theme——STUDENT LIFE.

Dedication

MRS. ELIZABETH KAMIDA
Secretary

MRS. FLORENCE IWANAGA
Clerk-Typist

Ka Leilehua 1956 is dedicated to two deserving people who make up the staff of our school—Mrs. Elizabeth Kamida and Mrs. Florence Iwanaga. The former, being the school secretary, and the latter being the clerk typist, have given much devoted service to the teachers and students alike. To us as students, Mrs. Kamida and Mrs. Iwanaga have always been devoted friends, always mindful of our welfare despite their innumerable tasks and problems "in the office." Teachers have also found them ever willing to their own needs. Their personal interests in us and to the teachers lead us to extend an affectionate Aloha as well as a sincere and highly-deserved "well done" for the school year 1955-1956.

Many students as these three have learned the duties of an office worker through the two secretaries.

The student government of the school was divided into two separate governing bodies. The High School Student Council was advised by Mrs. V. Hoshibata. The group worked together throughout the year to solve the many problems that confronted them and to sponsor various school projects and activities.

Combining forces with the Alumni Association and the Pep Club the council was able to sponsor the highly successful 1955 Homecoming in November. In February delegates attended the annual Rural Oahu High School Conference held at Kahuku High.

This year the Intermediate Student Council passed through its second year of existence with success. Along with the help of the students, the Council also received much valued assistance from Miss Barbara Kim.

To keep up with the constantly increasing enrollment of the school, new clubs were formed at the beginning of the school year. One of the clubs called the Pep club was organized to help promote school spirit. Pep talks, given by various committee chairmen, were also given. Another club, the Junior Debaters Club, was organized and recognized to help promote debating.

Many other activities were undertaken by the Intermediate section this year. By careful and thoughtful planning they were able to put on a successful Aloha Day Assembly. Another of our notable accomplishments was performed when the Council purchased 100 new lockers to be used by the Intermediate Students. The Council also undertook the planning of more socials.

Ka Leilehua

Brains a shamble from fishing for original ideas, sticky fingers from paste-ups, crossed-eyes from using razor blades, triangles and T-squares, and a desk cluttered with newspapers, rubber cement, copy papers—all went into the production of your 1956 Ka Leilehua to say nothing of the traditional "blood and sweat."

Here's the book. Many times we were discouraged, but with the intellectual and moral stimulation of some people, we were inspired to continue.

Pictures—and there's a slug of them—have to us a personal attachment. It took a good many hours to give you the Ka Leilehua—and don't think we didn't love every hour of it—we didn't. It was work, but as with the completion of most hard jobs, we're proud of it. Please read every word and look at each picture. We did it—and we're happy it's finished.

The staff was headed by June Shimabuku, editor Yoshida, Charlene Chun, Clifford Wong, page editors. Much credit goes to the staff members, for their splendid cooperation and work.

Visits by the staff were made to the McKinley Printing Dept. so that they might understand all phases of publishing. Various members have attended the Student Council of Oahu Publications (SCOOP) where they exchanged ideas and made recommendations in order to publish a better newspaper to the interest of the student.

The Spanish Club started the school year with a project. The 42 members of the club busily made scrapbooks and brought in various articles from Mexico, the Latin-American countries and had them exhibited in the school office for the student body to see.

It is the purpose of the club to learn and promote the Spanish language and culture. One way they achieved this was putting on skits in Spanish.

On January the club initiated the first year Spanish students. The initiates were gaily dressed in native costumes of Mexico and found speaking Spanish all day *con mucho gusto*. The breaking of the Pinata during the Christmas party and singing of Spanish songs highlighted the social event for 1955.

The I.S.C.F., with Miss Grace Watanabe and Miss Barbara Kim as their advisors, is composed of members professing the Christian faith.

With the purpose of spreading Christianity throughout the school and community, the club carried out many service projects and social activities which were: a Christmas basket, cleaning the office windows, a Christmas party, and the final event of the year, a banquet in May.

Homecoming 1955 through the city.

Band

New color and rhythm was added to campus and athletic activities by the Leilehua Band, ably conducted by Mr. Lloyd Inaba. Besides presenting the Christmas Assembly in music, the band was an essential part of the spirited rooting section, playing fight songs and accenting cheers.

Seniors

We, the class of '56, with stores of treasured memories, bid farewell to our dear old Alma Mater. Recalling the happy years that were spent at Leilehua, we turn these pages and see all our fellow classmates who, after receiving their diplomas, will go out into the world seeking their specific goals. In appreciation, the Seniors extend their heartfelt thanks to their advisors: Miss Mytle Tobey, Mrs. Marion D. Tolbert, Mrs. Helen Schiller, Mrs. Amelia Ryan, Miss Yit Moi Lau, and Mr. Lammy Ching, who have made their year truly wonderful.

In early March, the Senior Picnic was held down at Haleiwa. The Banquet followed in May, marking another enjoyable gathering for the graduates. The class Day program on May 16 included the Alumni Luncheon and the Tree Planning Ceremony.

Enjoying all the scheduled activities, the Seniors hardly realized the coming of June, when the Baccalaureate Service and Commencement Exercises concluded their eventful year. Harmoniously singing the "Alma Mater" the class of '56, both happy and sad, were graduated.

Yes, with their motto: "Do Unto Others As You Would Have Others Do Unto You", they now face the world, ready to tackle the difficult tasks lying ahead of them.

The seventh graders found the year very difficult while others found it easy. Coming from the Elementary school, the students found changes such as having six different class-room in one day and eating in the cafeteria with anyone.

The following are the accomplishments of the seventh grade class:

- 1) 2nd place award for the best attendance in the Homecoming-Parade.
- 2) 2nd place award for the best jalopy in the Homecoming-Parade.
- 3) Many students participate with their Play-Day.

Football

FOOTBALL ENJOYED a banner year in the Rural Inter-scholastic League in 1955 with six teams playing a solid 10-week schedule.

Financially wise too, it was the best in the 16-year history of the circuit. The big reason for this success at the turnstiles was that for the first time, all games were played at night, a time more convenient for the country fans.

The rural teams have come a long ways and if the brand of football played in '55 can be taken as a criterion, the rural teams should be on a par with the urban prep teams in just a few more years.

The Leilehua "Mules" under the tutoring of Mr. Bill Smithe, did their utmost to capture the League crown. But with Lady Luck on the opposing teams, the "Mules" were able to win but 2 games.

The boys played with all they had and showed good sportsmanship throughout the season.

Baseball

As this yearbook goes to press, the Mules have been practicing strenuously.

The students attending the games gave tremendous boost in morale to the boys. Expert advice throughout the games was given by Coach August Seibert.

They opened the season with a win from Kailua by a score of 8-1 and a loss over the Waipahu Marauders by a score of 21-0. For their next game they played Waialua and lost by a score of 6-4. Pacing them was their ace hurler, Stanley Tandal. Constant practicing in batting and fielding at the Wright Field, Leilehua surely will be a tough contender for the championship. Traveling to Kaneohe they beat the Castle Knights, 8-4.

Of the professional people in our nation interested in the advancement of universal civilization, the common everyday school teacher may be credited with doing the most for this cause.

Often referred to as secondary parents teachers strive diligently to help us students take advantage of free education as our democratic right.

Students are the living monuments to the teaching profession, so we can repay our teachers for their wise advice and understanding by studying hard and making something worthwhile of ourselves, so that they can be proud of us and say, "Our hard work was not in vain."

Filipino dancers doing the "Cari-nosa."

The Hawaiian atmosphere prevails throughout the year, but during the Aloha Week and May Day, once again the spirit of Hawaii is revived in full. Under the chairmanship of Mr. Anthony Peligrino, Lloyd Stone's *Lei of Nation* was presented. The colorful May Day Pageant was an interesting one. All those who saw it will long remember the sight of beautiful *Queen Grace Balaz* and the eight lovely princesses dressed in their vivid satin costumes in the traditional Hawaiian manner.

May Day

Lovely Grace Balaz was Queen of May Day at Leilehua this year and was crowned at the traditional May Day pageant held at the Athletic Field.

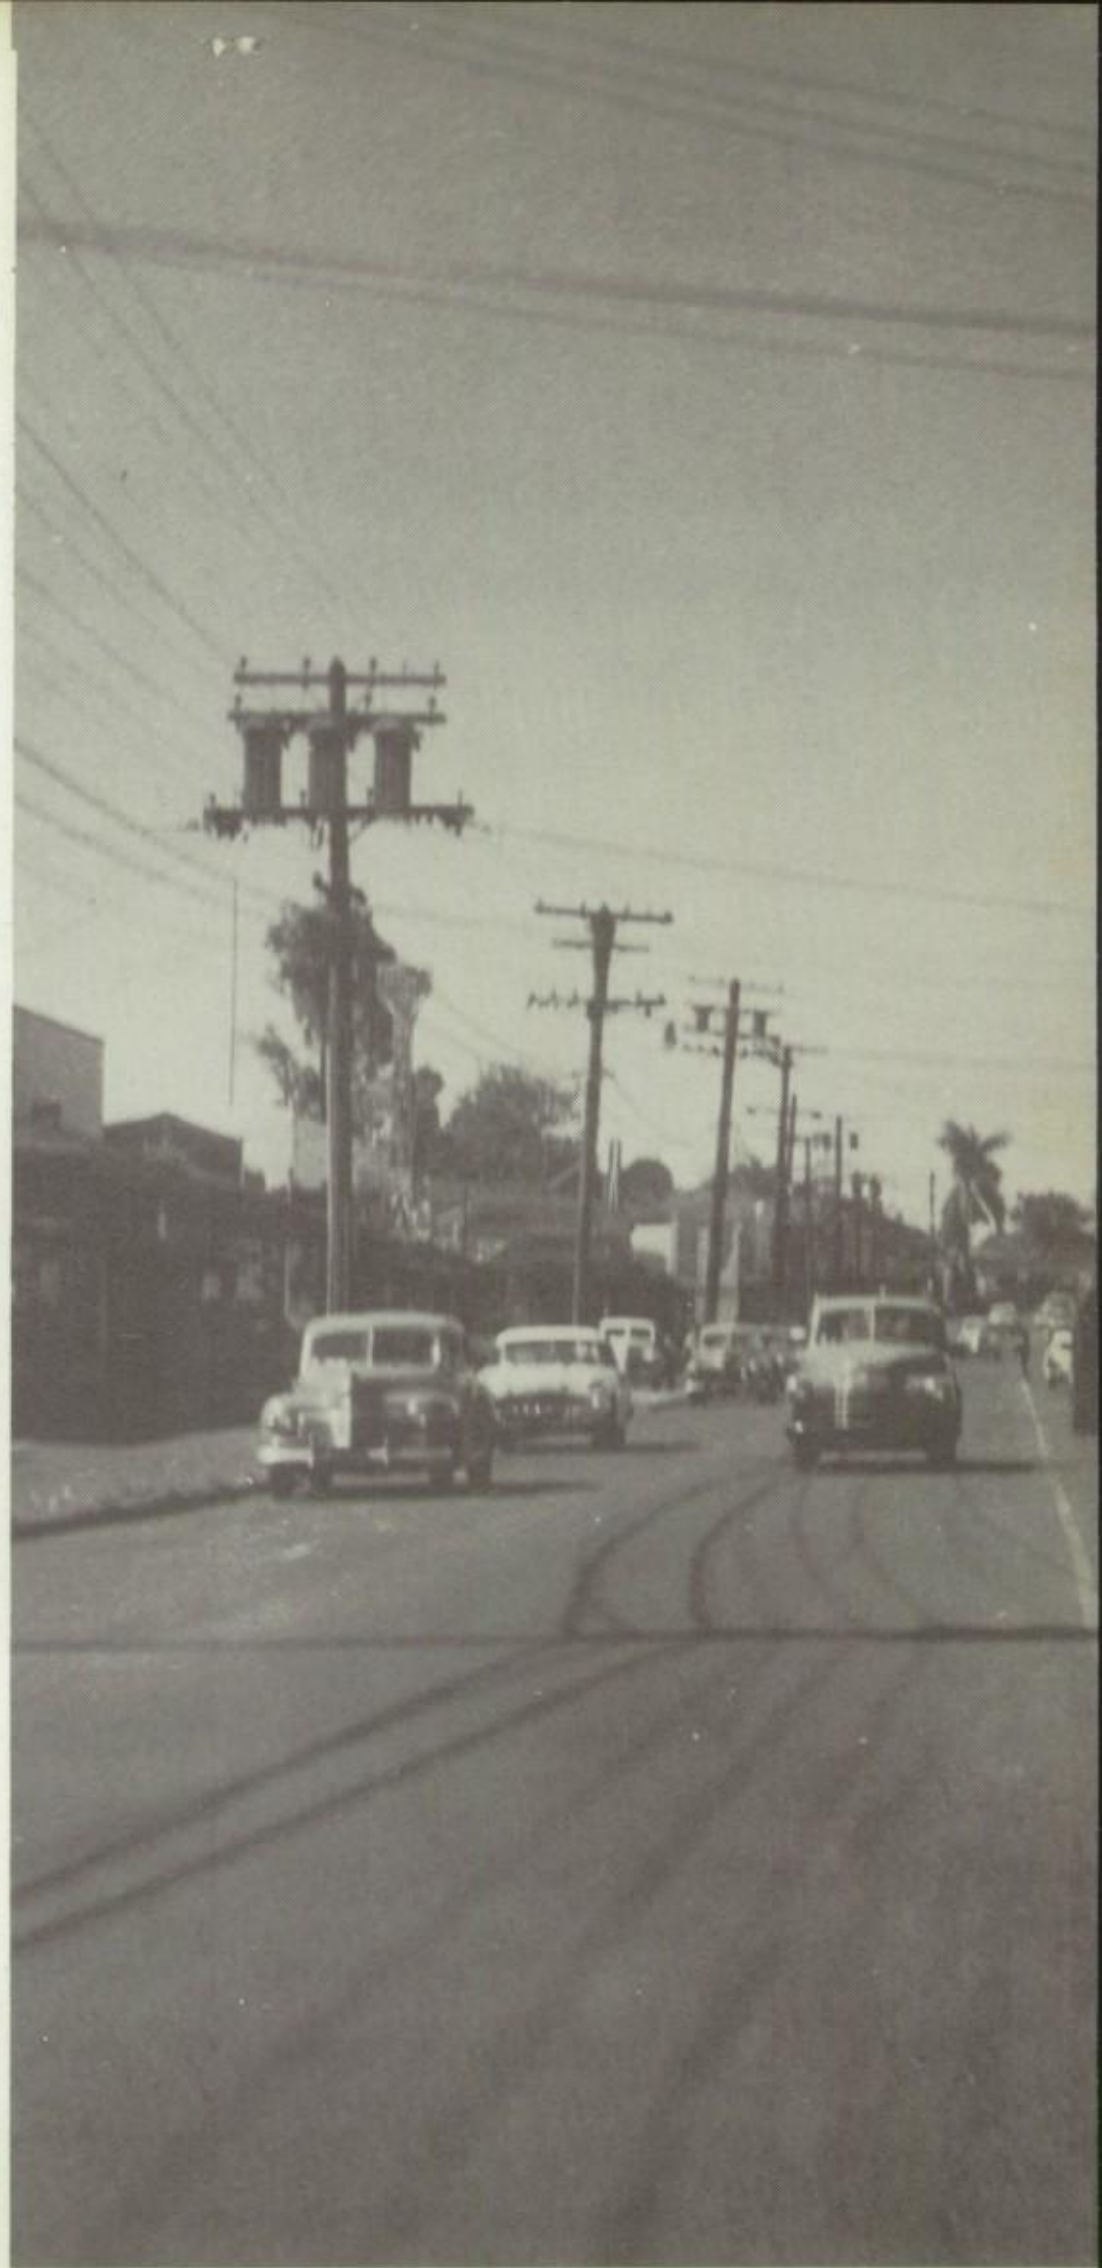

May Day

In working and playing we find a happy blend of Old and New World cultures that is evident in the friendly atmosphere of Leilehua. At Leilehua, May Day takes on a new significance, for the May Day program is richly imbued with old Hawaiian tradition and Oriental cultures. We are proud that we can truly call our school the "Melting Pot" of the Islands.

The hula troupe brings a colorful celebration along with the Japanese, Filipino, Tahitian, and Samoan dances.
